Re: *Democratic National Committee v. Russian Federation* (1:18-cv-03501-JGK)

Dear Judge Koeltl:

I represent Defendant Donald Trump, Jr. in the above-captioned action. We have been alerted to the fact that, during the July 19, 2019, hearing on Defendants' motions to dismiss the Second Amended Complaint, Your Honor inquired about the fact that Defendant Donald Trump, Jr. waived service of the summons but did not file a motion to dismiss or any other response to the Second Amended Complaint. Through a misunderstanding, we did not file a motion that incorporated all of the arguments set forth in Defendant Donald J. Trump for President, Inc.'s briefing on its motion to dismiss. With this filing, Defendant Donald Trump Jr. incorporates all of those arguments, and respectfully requests that Your Honor treat those arguments as having been similarly made by Defendant Donald J. Trump, Jr. Attached is a formal Notice of Motion to this effect. We sincerely regret any inconvenience this has caused Your Honor.

Respectfully yours,

ASF/by EBR
